

WHAT'S THE DIFFERENCE BETWEEN OUR LITTERS?

OZ-PET "ORIGINAL" ALL NATURAL CAT & PET LITTER

- 🐾 ODOURfree – it has long lasting odour control. The natural timbers inhibit the growth of ammonia odour.
- 🐾 All Natural, Highly Absorbent and **slower to breakdown**.
- 🐾 Eco-Friendly – 100% Biodegradable, no added chemicals.
- 🐾 Economical – Greater absorbency and less litter actually used in a tray, allows Oz-Pet to last longer than other types of litters.
- 🐾 Recyclable & Garden Friendly – assist our environment & reduce landfill by disposing your waste litter on plants, flowers or lawns (not on vegetables).
- 🐾 Litter & Bedding – Suitable for a wide range of pets. Ideal for Cats, Kittens, Rabbits, Birds, Reptiles, Mice, Rats and Guinea Pigs
- 🐾 Suitable for all Oz-Pet Litter Tray Systems and other Litter Trays

OZ-PET "ALL NATURAL PINE" CAT & PET LITTER

- 🐾 ODOURfree – it has long lasting odour control with a **PINE scent**. The natural timbers inhibit the growth of ammonia odour.
- 🐾 All Natural, Highly Absorbent and **Quick Acting**.
- 🐾 Eco-Friendly – 100% Biodegradable, no added chemicals.
- 🐾 Economical – it will last longer than most other types of litter.
- 🐾 Recyclable & Garden Friendly – assist our environment & reduce landfill by disposing your waste litter on plants, flowers, or lawns (not on vegetables).
- 🐾 Litter & Bedding – Suitable for Cats, Kittens, Reptiles, Mice & other Rodents. **Not suitable for Rabbits or Birds**.
- 🐾 Does not stain coloured litter trays.
