

EQUINE GROOMING & HEALTH ESSENTIALS

EQUIGLOSS 5IN1

A professionally formulated multipurpose grooming spray for horses and dogs. Equigloss 5in1 is a ready to use coat spray containing pro vitamin B5, vegetable derived conditioners, vitamin E and lavender oil.

Helps to:

- ✓ Detangles
- ✓ Deodorises
- ✓ Conditions
- ✓ Shine
- ✓ UV filter protection

Directions for use:

For normal grooming simply spray over tangled area (e.g. mane or tail) and brush after a short period. To condition the coat and bring out natural shine – spray lightly all over the body and leave on.

ELIMINOTS

Eliminots Concentrate Detangler & Shine detangles all types of hair knots, tangles, and dreadlocks instantly, no matter how difficult hair is to manage. The silk protein results in a high reflecting shine after brushing. Specifically formulated for tails and coats, suitable to apply to dry or wet hair. Containing silk proteins, lavender oil, and vitamin E. Great for applying quarter markers on your horse.

Due to its highly concentrated formula, Eliminots helps to repel dust, dirt and sand whilst promoting longer lasting shine and does not leave an oil residue.

Directions for use:

Wet the animal all over. Apply a sufficient quantity to the mane, the backline and the tail. Massage in and work into a lather over the entire body. Rinse off.

EQUIGLOSS 2IN1

Vetsense EquiGLOSS 2 in 1 is a conditioner and shampoo for horses. EquiGLOSS 2 in 1 deep cleanses, conditions and nourishes hair and skin.

Features of EquiGLOSS 2 in 1:

- ✓ Sulphate free, soap free and pH balanced
- ✓ Contains pro-vitamins and vegetable derived conditioning agents
- ✓ Moisturising and soothing with oat extract and aloe vera
- ✓ Pleasantly smelling – contains lavender oil

Directions for use:

Wet the animal all over. Apply a sufficient quantity to the mane, the backline and the tail. Massage in and work into a lather over the entire body. Rinse off.

NUTRILYTE 4IN1

NutriLYTE 4 in 1 is the All-In-One nutritional & performance supplement for your horse.

This one product takes the hard work out of feeding multiple supplements, saving time and money.

Why swap to NutriLYTE 4 in 1?

Developed with one of Australia's leading thoroughbred trainers, this latest all-in-one formulation has been trialled on horses across various disciplines including, gallopers, harness, endurance and eventing.

The product is designed to:

- * Improve daily feeding efficiency, allowing for a more simplified supplement program
- * Help your horse to recover after training, travel, racing and competitions
- * Increase hydration
- * Improve muscle recovery
- * Supplies a daily source of vitamins, minerals, electrolytes and amino acids
- * Improve overall wellbeing
- * Save you from purchasing extra additives, resulting in reduced cost per dose and increasing stable economy.

Rate of Use:

Normal work - 30g mixed daily into feed ration

Heavy work/Travelling Horses - 60g split (30g x 2) between two daily feed rations

APPLE CIDER VINEGAR 4%

Vetsense Apple Cider Vinegar 4% is unpasteurized (contains 'the mother') high-grade and sourced from Tasmania. ACV is suitable for most animals including horses, dogs, cattle, pigs, and chickens, helping to acidify the stomach to improve digestion and may include improvements in arthritis and joint conditions.

Dosage Guide: Mixed into feed or water

Poultry – 1mL each

Horses – 20mL each

Dogs – 5mL each

Cattle – 20-40mL each
