OATMEAL CONDITIONER

Fido's® Oatmeal Conditioner is a unique blend of rich conditioners and oatmeal extract. Oatmeal is known to have natural soothing effects.

For best results use after shampooing with Fido's® Oatmeal Shampoo.

**OATMEAL
CONDITIONER**

For dogs, cats,
puppies and kittens.

DIRECTIONS FOR USE:

After shampooing your pet rinse thoroughly with clean warm water before applying conditioner. Apply Fido's® Oatmeal Conditioner to several places. Depending on the size of the pet at least 20mL is recommended.

Work the conditioner into your pet's coat, massage well and ideally leave on for 5 minutes before washing off with clean water. Take care to avoid eyes and inside the ears. Dry and brush coat as usual.

FRE-ITCH RINSE CONCENTRATE

FOR DOGS, CATS, PUPPIES,
KITTENS AND CAGE BIRDS

ACTIVE CONSTITUENTS:

10g/L PYRETHRINS, 15g/L PIPERONYL BUTOXIDE
30g/L N-OCTYL BICYCLOHEPTENE DICARBOXIMIDE

Kills Fleas (*Ctenocephalides* spp) and ticks
(*Ixodes* spp, *Rhipicephalus* spp). Kills ticks
including the paralysis tick (*Rhipicephalus*
sanguineus and *Ixodes holocyclus*) and prevents
attachment for up to 3 days on dogs and cats.
Controls lice on ornamental cage birds and rodents.

CONCENTRATE

5 Litre

DIRECTIONS FOR USE CONTINUED:

For ornamental cage birds: Mix 2mL of concentrate with 200mL water and use solution in a clean spray bottle. Adjust spray for fine, mist spray and lightly all over ruffling the feathers to allow spray to penetrate to skin. Avoid contact with eyes, ears. Allow bird to dry naturally in a warm place to prevent chilling. Repeat if necessary.

NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER, CONTRARY TO THIS LABEL, UNLESS AUTHORIZED UNDER APPROPRIATE LEGISLATION.

Zone Control: To aid the control of this infestation, bedding should be changed or sprayed with this product when dried and allowed to dry. Areas frequented by the pet should also be treated with this product (when allowing when suitable).

Protection of Livestock, Wildlife and Others: Precautions to be well explained, do not contaminate ponds, streams and aquaria.

FIRST AID: If poisoning occurs contact a doctor or Poisons Information Centre. Phone 13 11 20. **Storage:** Store below 30°C (Room Temperature) away from food. Protect from light.

Disposal: In use or getting rid of concentrate, keep into the unopened jug. Do not dispose of undiluted concentrate in the sink, drain, or puncture and bury empty containers in a local authority landfill. If disposal is available, bury the containers below 500mm in a disposal pit specifically marked and set up for this purpose clear of waterways, vegetation and roads. Empty containers and product should NOT be burnt.

Contains Pyrethrin, a pesticide of Natural Origin. A low odour, water based formulation suitable for use in a hydrobath, mist, dip or spray. Contains no alcohol or petroleum solvents.

DIRECTIONS FOR USE: Caution! May cause dribbling and weakness if used in cats. If use or skin nurse, wipe off excess product and contact a veterinarian.

Precautions: Do not contaminate food and water containers. In tick season, daily searching for and removal of ticks is recommended.

Dilute before use. Shake up freshly before use.

For dogs, cats, puppies, kittens and rodents: Mix 1mL concentrate per 100mL of water. Dilute with warm water (40mL to 1 Litre) and hydrobath, dip, wash, sponge or spray pet with this solution until thoroughly wetted. Avoid contact with eyes, ears. Allow animal to dry naturally. Puppies and kittens should be handled dry to prevent chilling. For best results do not clip off. Repeat as necessary to control infestation. The recommended treatment for continuous paralysis tick control is to treat the animal according to label directions once every 3 days.

EVERYDAY SHAMPOO

Fido's® Everyday Shampoo is our iconic shampoo designed to be gentle on the skin while deep cleaning the coat.

The non-irritating formula is suitable for general grooming of all coat types. Contains the genuine, long lasting Fido's® bouquet fragrance.

Perfectly paired with Fido's® Everyday Conditioner.

EVERYDAY SHAMPOO

For dogs, cats, puppies, kittens and other furry pets of all ages

DIRECTIONS FOR USE:

Wet your pet's coat thoroughly with clean, warm water and apply at least 20mL of the shampoo along the backline of the pet.

Work into a lather over the entire body, taking care to avoid the eyes and inside the ears.

Rinse off and dry thoroughly.

FLEA SHAMPOO FOR CATS & DOGS

ACTIVE CONSTITUENTS:

1g/L PYRETHRINS

10g/L PIPERONYL BUTOXIDE

SHAMPOO

Controls fleas (*Ctenocephalides* spp)
and lice (*Trichodectes* canis and *Heterodectes*
spp) on cats and dogs. Does not control
paralysis tick (*Ixodes holocyclus*)

5 Litre

FIRST AID: If poisoning occurs contact a doctor
or Poisons Information Centre (Phone Australia
131126)

ZONE CONTROL: To aid in the control of flea
infestations, bedding should be changed or
sprayed with this product and allowed to dry. Areas
frequented by the animal should also be treated
with this product (when diluted) when suitable.

PROTECTION OF WILDLIFE, FISH,
CRUSTACEANS AND THE ENVIRONMENT:
Dangerous to fish and crustaceans. Do not
contaminate fish ponds, drains, rivers and
streams with the product or used containers.

STORAGE: Store below 30°C (Room Temperature).
DISPOSAL: Triple or (preferably) pressure rinse
into the medicated rinse. Do not dispose of
undiluted chemicals on-site. Break, crush, or
puncture and bury empty containers in a local
authority landfill. If no landfill is available bury
the containers below 500mm in a disposal pit
specifically marked and set up for this purpose
clear of waterways, vegetation and roots. Empty
containers and product should not be burnt.

Manufactured by: Mavlab Animal Health Pty Ltd
77-33 Rowland St Slacks Cr Qld 4127 Australia

Fido's® Flea Shampoo is a mild formulation
which has been especially prepared to produce a
soft, lustrous coat, and to reduce animal odours.

DIRECTIONS FOR USE:

PRECAUTIONS & CONTRAINDICATIONS:
Do not contaminate food and water containers.
May cause dribbling or unsteady gait in cats. If
one or both occur, wipe off excess product and
contact a veterinarian.

APPLICATION: Use whenever fleas or lice are
noticed on the animal. Wet coat thoroughly with
warm water and apply Fido's® Flea Shampoo at
several places. Work into a good lather and
massage well into the coat. Leave for 5 minutes
then rinse with clean warm water and dry
thoroughly.

NOT TO BE USED FOR ANY PURPOSE OR IN
ANY MANNER CONTRARY TO THIS LABEL
UNLESS AUTHORISED UNDER APPROPRIATE
LEGISLATION.

APVMA Approval No: 48811/SL/0107
