

snooza™

# snooza ecofresh™

ODOUR-RESIST

ALLERGY-FREE

ECO-FRIENDLY

Odour-resistant, anti-microbial comfort fill for a fresh & healthy home.

## Proven Antibacterial

Independently lab tested with 99% efficacy against bacteria & viruses, while proven to inhibit fungal growth

## Long Lasting Protection

Snooza Eco Fresh™ is non-leeching, making it safer & durable when washing, giving longer lasting protection

## Outstanding Odour Control

Contains powerful antibacterial & antifungal properties that prevent & eliminate odours at their source

## Cleaner & Greener

Eco-friendly fibre made from recycled plastic bottles, zero-waste foam crumb & Australian foam. The plant-based treatment is biodegradable & free from harmful chemicals

## Allergy-Free

Hypoallergenic treated pet bedding fill is Sensitive Choice certified, earning the trusted blue butterfly logo for asthma & allergy-friendly products

## Reduced Washing

Keeps bedding fresher & cleaner for longer, extending the time between washes & prolonging the life of your Snooza

## Dust Mite Control

Deactivates the food source of dust mites, so is highly effective in preventing colonies from establishing in treated bedding fill
