HOW TO RESHAPE

New Packaging, Same Muzzle

Less carbon footprint
with 40% LESS
packaging weight

Allows easy product
trial in-store

Nesting solution to hang
multiple sizes on one peg

Choose Baskerville

**Designed
dog-first**

Our humane muzzles allow the dog to pant, drink and receive treats freely. Ideal for training and daily use.

**Designed for
safety**

Our unique design provides an advanced bite protection and peace of mind for dogs and people around.

**Designed for a
custom fit**

Our TPR (thermoplastic rubber) basket is reshapable in hot water for an optimal fitting.
